

A NetLearn Languages seminar

Using the Internet in English Language Teaching

*** Are you a teacher of English as a foreign/second language? ***

*** Are you interested in finding out more about how you can exploit the Internet for lesson plans, teaching materials, activities and more?***

If so, our one-day seminar at our London centre is for you. During the course of this hands-on seminar, participants learn about and practise using:

- *Websites aimed at language teachers*
Websites featuring ready-to-go lesson plans, crossword- and exercise-creation programs, exercises that can be printed out and taken into the classroom and more
- *Websites aimed at language learners*
Websites featuring self-study materials and exercises for language learners
- *E-mail in language teaching*
Ways in which teachers can use e-mail with their students for follow-up or complementary activities.
- *E-mail discussion groups*
E-mail discussion groups - online communities of individuals who share a common interest - will be introduced, and we will practise using one.
